Day Nursery

A Day Nursery will be maintained in the southwest wing of the Women and Children's Building, which will be open all day and up until 11:30 at night. Trained nurses will be in attendance to take care of and entertain the children. Mothers will be required to furnish food for their children. A reasonable fee will be charged for this service.

Women and Children's Building

The Women and Children's Building is a beautiful structure located on the hill east of the Stock Pavilion and Agricultural Building. The location is ideal, overlooking the main portion of the grounds and exhibit buildings.

The rest rooms are large, well ventilated and comfortably furnished. The

spacious porches offer a resting place for hundreds of people.

In addition to rest rooms and other conveniences for women and children, the building contains many exhibits and educational features, among which are the Baby Health Contest, Women's County-Wide Project and Hobby Exhibits by Farm Bureau women, and a room set aside for daily demonstrations in domestic science; also a large auditorium in which programs of interest to women are given daily.

Emergency Hospital

An emergency hospital will be maintained in a building east of the Women and Children's Building. A skilled physician and a trained nurse will be in charge day and night. The management provides the hospital building and furnishings, but each patient is expected to pay a reasonable fee for services rendered.

Check Room

Check rooms in charge of reliable persons will be located in the entrance of the auto parking grounds near the Old Mill. Packages may be checked at a nominal fee.

Post Office

A substation of the Des Moines Post Office will be located on Grand Avenue, northeast of the Agricultural Building. The office will receive and distribute mail, sell stamps, postal cards and money orders.

Press Bureau

The Fair will maintain a press bureau in the Administration Building with a competent person in charge. Manifold copies of the awards in the live stock departments, daily programs, special orders and announcements, official decisions and all other matters of interest to the public will be furnished to the press. Representatives of the press at large, who may be assigned to or visit the fair, are cordially invited to make this their headquarters and avail themselves of the facilities offered.

Express

The express company's office will be found in a booth east of the north entrance to the Stock Pavilion. All express shipments for delivery to the grounds should be marked and charges prepaid to Des Moines. All express sent to individuals or firms in care of the secretary will be found at the express office.

Railway Offices

All the leading trunk lines will have a consolidated office in a booth east of the north entrance to the Stock Pavilion for the transaction of business and furnishing information relative to freight and passenger rates, departure of trains, etc.

Telegraph Offices

A branch station of the Western Union Telegraph Company will be maintained in the Administration Building.

Telephones

A complete telephone system is maintained on the grounds by the North-western Bell Telephone Company. Connections may be had to any part of the grounds, free; a toll fee of ten cents for down town connections is charged. The central office is located in the southeast corner room of the Educational Building and Grandstand.

Administration Offices

All the officers and superintendents of the Fair will have offices in the Administration Building. A cordial invitation is extended to everyone to make the building their headquarters while at the Fair.

General

The management will consider it a kindness if persons will report any mistreatment or extortion practiced by any employe of the Fair or concessionaire. They also ask for immediate information regarding the sale of intoxicating liquors.

Respectfully submitted,

J. P. MULLEN, President, F. E. SHELDON, Vice President, A. R. COREY, Secretary, Executive Committee, Iowa State Fair Board.

6 Big Reasons for DEMPSTER No. 12 Annu-Oiled Windmills...

1. MAIN SHAFT ASSEMBLY

which will never wear out. Timken Bearings absorb the thrust and wear of the shaft. The automatic take-up spring takes up any wear in the bearings.

2. CROSS HEAD AND GEARS

Large, machine-cut equalizing gears work independently of each other on a high-carbon steel bearing, constantly oiled, Gears run in an oil bath. Each gear carries its full part of the load, preventing undue strain and breakage.

3. BALL-BEARING TURNTABLE

allows quick response to the smallest breeze. Ball races are semi-steel, especially hardened, and finished smooth to permit ball to roll freely. Enough balls are used to withstand five times the load they carry.

4. SCIENTIFICALLY DESIGNED WHEEL

has fewest possible parts. Light, strong, powerful. Sensitive to the slightest breeze; stands up under the hardest wind. Fans securely fastened to circles; to keep proper curvature and position.

5. INTERNAL EXPANDING BRAKE

has heavy cast shoe with special steel brake lining—pivoted on substantial supporting lug cast integral in the frame. Combines best features of both the steel band and cast shoe brake.

6. TIMKEN TAPERED BEARINGS

add years of life to the Dempster Mill. Wear is taken off the shaft and put onto these bearings. Practically no wearing effect on Timken Bearings, when kept constantly oiled as in this Mill.

A. These six features, plus an engine of great simplicity which assures satisfactory operation for years to come, make the Dempster No. 12 Annu-Oiled Windmill the outstanding leader of them all. That's why farmers throughout the Middle West prefer the Dempster.

THE HAMPSHIRE SWINE RECORD ASSOCIATION BROOD SOW PRODUCTION SHOW

The Hampshire Swine Record Association offers a Gold, a Silver and a Bronze Medal for the Gold Medal, the Silver Medal and the Bronze Medal Hampshire brood sows of the State of Iowa.

The awards shall be made in accordance with the first three (3) placings

in a special litter showing.

Junior pigs only, those farrowed on or after March 1, 1937, are eligible and ten (10) or more pigs which are the produce of the same dam and from the same litter are necessary to qualify each entry.

The dam of all litters shown as well as all of the pigs must be owned by the exhibitor.

Each pig must be recorded in The Hampshire Swine Record Association

and the pedigrees presented at the time of showing as qualification.

There is no entry fee but notification of entry must have been made with The Hampshire Swine Record Association at least fourteen (14) days prior to the date of showing, giving the name and record number of the broad sow whose litter will be shown.

Competition is limited to exhibitors from within the state of Iowa.

At least three litters must be presented for showing for the awards to be made.

This showing is to be judged by the judge of the regular Hampshire classes.

> E. M. HARSCH, Secretary, The Hampshire Swine Record Association, 915 Commercial Bank Bldg., Peoria, Illinois.

TAKE IT EASY at Corn Picking Time with an Oliver Corn Master and an Oliver "70" Tractor.

Sit on an Oliver "70" Tractor and tear into that corn picking job this year. Stop this business of husking corn in snow-blown icy fields with sore, half-frozen hands and an aching back. Stop the extra expense of corn huskers. Pick and husk your corn at the rate of 12 to 20 acres per day. Get an Oliver CORN MASTER and pick your corn faster, better, cleaner and at low cost.

And to pull and drive your Corn Master, get an Oliver "70" Tractor . . . the tractor that has all the features you want . . . a 6-cylinder motor that is especially designed to burn the fuel that you want to use; self-starter; electric lights; modern transmission; easy steering and many others. It will save you money on fall plowing and belt work, too.

See your Oliver Dealer today, or write the nearest Oliver Branch office for the name of your Oliver Dealer and full information.

Hubbard Milling Company, Mankato, Minn.	4.00
Total amount offered	\$943.00

Market Pigs: Pure breds, cross breds or grades either barrows or gilts. Each contestant may show two market pigs, farrowed on or after February 1, 1937, in the individual classes. Pigs from Pen of Three Class and Market Litter Class are eligible to show in individual classes. Gilts shown in market classes cannot be shown in the breeding classes.

Auction Sale: An auction sale, for club members wishing to sell their market pigs will be held in the Swine Pavilion at 1:00 p. m., Friday, September 3, provided there are enough market pigs on the grounds. The Grand and Reserve Grand Champion will be sold singly. All other pigs for sale by any one exhibitor will be grouped and sold as one lot.

Individuals

All pigs will be judged according to their breed characteristics.

The pigs in each breed class will be placed in blue, red or white ribbon groups according to their finish, type and market desirability. From the blue ribbon group, the judges will select breed champion and reserve champion pigs.

Breed champions and reserve breed champions will compete for the Grand Champion and Reserve Grand Champion awards.

A total of \$375.00 will be awarded as follows: Each pig placed in the blue ribbon group will receive the same amount. Each pig placed in the red ribbon group will receive the same amount, but the money will be so divided that each blue ribbon pig will receive \$2.00 more than each red ribbon pig. Ribbons only will be awarded pigs in the white ribbon group.

4-H CLUB DRAFT COLT CLASS NO. 141

Score Card Class

\$25 \$20 \$16 \$14 \$12 \$10 \$9 \$9 \$8 \$7 \$6 \$5 \$5 \$5 \$5 \$5 \$5 \$5 \$5 \$5 \$5

To be judged by the following score:

Growth and development of colt	35%
Fitting and decoration of colt	15%
Manners and training of colt	15%
Horsemanship of exhibitor	15%
Judging of contestant	20%

The colts will be placed by a competent judging committee and rated on the first four of the above score points. They will then be rated from first to last by the same committee solely on the merits of the individual colts competing, and placed in the order of their rating. Before any judging is done, the colts, when first led into the ring, will be held by a helper for twenty minutes, during which period each boy or girl contestant will make a written record giving their judgment on the placing of colts in the ring, in the order of their merit, and this placing will serve as a basis for the last 20% in the above score.

The Iowa Retail Harness Makers' Association will award a Bridle to the highest scoring exhibitor in this class.

ALLACES' FARMER Iowa Homestead Good Farming: Clear Thinking: Right Living

extends to state fair visitors a cordial invitation to visit its headquarters in the east end of Varied Industries Building and to visit its large and attractive plant at 19th Street and Grand Avenue.

We like to get better acquainted with our farm friends and to confer with them about matters of mutual interest. We like also to meet manufacturers and their representatives on the occasion of their visit to the state fair.

Our headquarters in Varied Industries Building are maintained from 8:00 A. M. to 6:00 P. M. Our plant at 19th Street and Grand Avenue, where nearly 200 people are employed, is open for inspection by visitors from 9:00 A. M. to 4:00 P. M. It is one of the largest and most complete printing establishments in the West, and on Tuesdays, Wednesdays and Thursdays our folks can see the paper being printed on the largest farm paper printing press in the world. It is a real sight.

Wallaces' Farmer and lowa Homestead reaches approximately 95 per cent of the farm homes in lowa. It studies the needs of every member of the farm family and is a welcome visitor to all.

Come in and get acquainted with us. We are friendly people and like to meet our friends on the farm as well as our friends in the manufacturing business who are patrons of our advertising columns. If there are any questions you wish to ask with regard to farm crops and livestock or with regard to lowa and its agricultural resources, we have the information available. By all means, come in and get acquainted.
